

HOW TO ACCESS THE EXAM STUDY GUIDES

Step 1: Click on the Reports tab

Step 2: Your completed exams will be displayed here. Select your exam

and click on

Step 3: The study guide will be displayed. If you got the question/task incorrect click on remediation or training.

NOTE: you must activate the eBook in order to have an interactive study guide. So basically click on the eBook (Readings), agree to the terms and then your study guide will link to areas in the eBook.

The screenshot shows a web interface for an 'Exam Study Guide'. At the top, it displays the date 'Wednesday, August 21, 2013' and the student's name 'Ross, Denise'. The assignment is 'Internet Basics and Information Literacy Exam' with a date of '8/21/2013' and a score of '18%'. A 'Launch All Training' link is visible in the top right. Below this is a 'Performance Tasks' table with columns for Subject, Task ID, Task, and Result. The table contains three rows of task data. To the right of the table, there are two columns: 'Remediation' and 'Training'. A red arrow points from the text 'Click the link for the eBook' to the 'Remediation' links. An orange arrow points from the text 'Click the link to access the training' to the 'Training' links.
