

Start Here: Week One

The first week of class we will be reviewing the syllabus, attending a WebCT Training Session with homework assignments given and will review Chapter One of the Textbook (refer to syllabus for required textbook).

Use the green arrow button in the upper right hand corner to navigate pages forward and backward or use the Table of Contents on the left side of the screen.

1. Complete all the assignments linked in this week's learning module to include:
 - a. WebCT Training Session (assessments, discussion board, assignment)
 - b. Read Chapter 1

Things to Remember:

1. Refer to the calendar for assignment dates.
2. Chapters are to be read prior to attending class on the day assigned.
3. All assignments are to be typed and due on the due date (no late work accepted).
4. Use the Mail tab to e-mail the professor or classmates.
5. Use the Ask the Instructor discussion board for question on the course.
