

# MAT 1033: Intermediate Algebra

## Spring 2017

**INSTRUCTOR:** Sidra Van De Car

**E-MAIL:** [ivandecar@mail.valenciacollege.edu](mailto:ivandecar@mail.valenciacollege.edu)

**PHONE:** 407-582-2032

**OFFICE:** 6-227

**STUDENT  
ENGAGEMENT  
HOURS:**

|    |  |
|----|--|
| MW | 9:00A – 10:00A and 11:30A – 1:00P in 6-227 |
| TR | 9:00A – 10:00A                             |
| F  | 9:00A – 10:00A via e-mail                  |
| Su | 7:00P – 9:00P via e-mail                   |

**This syllabus is a contract between the student and the instructor. By enrolling in and then attending this course, the student agrees to and accepts the terms and conditions of this contract. It is the responsibility of the student to carefully read this syllabus/contract in its entirety and to adhere to all policies and procedures within the syllabus.**

**COURSE INFO:** CRN 20675 meets MW from 10:00A – 11:15A in 7-122; required lab is W 9:00A – 9:50A in 7-112C

**DESCRIPTION:** Intermediate Algebra presents algebraic skills for MAC 1105. Topics include linear equations and inequalities in two variables and their graphs, systems of linear equations and inequalities, introduction to functions, factoring, algebraic fractions, rational equations, radicals and rational exponents, complex numbers, quadratic equations, scientific notation, applications of the above topics and the communication of mathematics. Applications emphasizing connections with other disciplines and the real world will be included. (Special fee: \$42.00)  
Contact hour breakdown: CR3 Class 3 Lab 1

**PREREQUISITES:** Minimum grade of C in MAT0022C or MAT0028C or MAT0055C or MAT0056C or appropriate score on an approved assessment.

**TEXT:** [\*Intermediate Algebra: Connecting Concepts through Applications\*](#), 1<sup>st</sup> Edition, © 2012, by Clark & Anfinson. **Note: a physical textbook is optional, as it is available in the software.**

### REQUIRED

**MATERIALS:** Graphing Calculator ([TI-83](#), [TI-83 Plus](#), or [TI-83 Silver](#) recommended). Students are NOT permitted to use a calculator that performs symbolic manipulations (such as the TI-89 or TI-92) in this course.

Full access to WebAssign must be purchased. The East Campus bookstore has access codes (ISBN 9781285858500). You can also purchase access directly from WebAssign.

3" × 5" notecards

**CALCULATOR:** The TI-84 will be the modeled demonstrated in class. If a student chooses to use a calculator other than the TI-84, he will be responsible for learning how to use his calculator. The student is not permitted to store information or unapproved programs in his calculator. The instructor reserves the right to inspect and/or reset the memory of each student's calculator. Any student found with inappropriate information stored in the calculator will be subject to action described by the instructor's policy on academic honesty (see below).

**MAJOR LEARNING  
OUTCOMES:**

At the end of this course, you should be able to:

- use the graphing calculator to enhance and visualize mathematical concepts.
- understand the properties of exponents, and work with real life applications such as scientific notation, and formulas like compound interest.
- recognize the mathematical function concept and describe relationships between variables in real world situations.
- use functions expressed verbally, numerically, graphically, and symbolically.
- recognize, model, and analyze linear equations in real world situations.
- recognize, model, and analyze linear inequalities in real world situations.
- recognize, model, and analyze systems of linear equations in real world situations.
- recognize and analyze polynomials in real world situations.
- recognize, model, and analyze rational expressions in real world situations.
- recognize and analyze radical expressions in real world situations.
- recognize and analyze quadratics in real world situations.

**ATTENDANCE:**

Attendance will be taken at every class meeting. If a student should need to miss class, he should contact the instructor as soon as possible. It is the student's responsibility to find out what material and assignments were missed due to an absence.

**EXAMS:**

There will be 3 exams. Each exam will be worth 15% of the final course grade. There will be no make-up exams during the semester unless the absence is excused by college policy (e.g., religious holidays or college sponsored events requiring a student's attendance). The instructor has the right to ask for documentation to determine whether an absence is excused. If a student misses no more than one exam for any reason, a comprehensive final exam at the end of the semester may be used to replace the lowest test grade.

Most exams will consist of 2 parts. For this format, calculators will not be permitted on the first part of the exam and will be permitted on the second part.

**ATLAS:**

Students should familiarize themselves with their individual [ATLAS](#) accounts. Throughout the semester, the instructor may send e-mail pertaining to the course through the ATLAS system. The student is responsible for checking his ATLAS e-mail account regularly.

**HOMEWORK:**

Homework will be facilitated online through **Enhanced WebAssign** and will be worth 15% of the final course grade. It is very important that you do homework on a regular basis. Studies indicate that you should spend at least two hours on homework outside of class for every hour spent in class. The schedule gives you the sections in the book that are covered in lecture and the online homework/quiz assignment dates for each lecture. Students will be expected to have access to a computer. All assignments will be due at the date and time listed in the software. **The due dates will not be extended so please plan accordingly.** All of the online homework questions come directly from the textbook exercises. Each homework problem can be repeated one time within the specified time period. The lowest homework grade will be dropped. Any student in need of extra practice is encouraged to complete additional exercises from the text. All of the computers in building 4 are equipped with the proper plug-ins to complete online assignments using **WebAssign**. The website for online homework is <http://www.webassign.net>.

**\*\*\*\*WebAssign Access Code: \*\*\*\***  
**valenciacollege 9987 6008**

**QUIZZES:**

There will be unannounced quizzes throughout the semester. In class quizzes will account for 10% of the student's final grade and may be given during the first 5 minutes of class. There will be NO make-up quizzes. If the student arrives late to class or is absent, a grade of zero will be recorded for the quiz.

**LABS:**

Various lab activities will be given throughout the semester. The labs will count as 10% of your final course grade. Attendance is mandatory and will be part of the grade. Leaving lab early or arriving late will be counted as an absence. Labs must be done in pencil only, only originals can

be accepted (no photo copies due to copyright protection). Labs are graded on neatness, completeness and accuracy. The lowest lab score will be dropped.

**SUPPLEMENTAL LEARNING:**

This course is enhanced by Supplemental Learning (SL) – casual, small-group study sessions led by a model student who has already passed the course with a high grade. In SL sessions, you compare notes with other students, discuss assignments, and develop organizational and study skills. Students who take part in SL sessions make higher grades.

**READINESS MODULES:**

If you are interested, there is a course in Blackboard that provides a review of some of the pre-requisite topics. The topics are: Arithmetic (Integers, Fractions, Decimals), Linear Equations, Linear Inequalities, Exponents, Polynomials, Factoring, and graphing. The deadline for completing the readiness modules is Sunday, January 22<sup>nd</sup>. If you complete all of the readiness modules with a grade of 100% (and provide me with a screenshot of your grade), I will add an additional 7 points to both Test 1 and Test 2. Once you complete the modules, please attach the screen of your grades and email them to me at [ivandecar@valenciacollege.edu](mailto:ivandecar@valenciacollege.edu) I highly recommend that you take advantage of this opportunity! Instructions for self-enrollment in the readiness course are posted on the course website.

\*2 points are awarded per module that is completed with a grade of 100%. The points are split in half and added to test 1 and test 2.

**FINAL EXAM:**

The final exam is comprehensive and mandatory. A grade of F will be assigned to any student who fails to take the final exam.

**FINAL EXAM DATE:** Monday, April 24, 2017 10:00A – 12:30P in 7-122

**STUDENT ENGAGEMENT HOURS DURING FINALS WEEK:**

M 1:00P – 3:00P in 6-227  
T 3:00P – 5:00 P in 6-227  
W 10:00A – 12:30P in 6-227

**WITHDRAWAL DEADLINE:**

Per Valencia Policy 4-07 (Academic Progress, Course Attendance and Grades, and Withdrawals), a student who withdraws from class before the withdrawal deadline of **March 31, 2017** will receive a grade of “W.” A student is not permitted to withdraw after the withdrawal deadline. A faculty member MAY withdraw a student up to the beginning of the final exam period for violation of the class attendance policy. A student who is withdrawn by faculty for violation of the class attendance policy will receive a grade of “W.” Any student who withdraws or is withdrawn from a class during a third or subsequent attempt in the same course will be assigned a grade of “F.” For a complete policy and procedure overview on Valencia Policy 4-07 please go to: <http://valenciacc.edu/generalcounsel/policydetail.cfm?RecordID=75>.

**GRADING:**

|            |     |
|------------|-----|
| 3 Exams    | 45% |
| Homework   | 15% |
| Quizzes    | 10% |
| Labs       | 10% |
| Final Exam | 20% |

| Percentage | Grade Earned |
|------------|--------------|
| 90 – 100   | A            |
| 80 – 89    | B            |
| 70 – 79    | C            |
| 60 – 69    | D            |
| 0 – 59     | F            |

**EXTRA HELP:**

Besides visiting your instructor's office to ask questions, *free* tutoring services are provided on Valencia College's East campus at the Academic Success Center in Building 4-Room 101. The East Campus Academic Success Center strives to provide a *safe, inclusive learning environment* that motivates students to *maximize learning opportunities, grow toward independence, and discover the lifelong learner within.*

<http://valenciacollege.edu/east/academicsuccess/>

**Math support at the academic success center**

The Math Center in Building 4-Room 102-B provides individual assistance to all Valencia students enrolled in any math course. Resources include walk-in tutoring, homework assistance, workshops, final exam reviews, PERT information, academic refreshers, and much more. The SPA (Specialized Prep Area) provides specific resources to students in developmental mathematics courses. The SPA has information and study sheets for most mathematical concepts. Normal hours for the Math Center are Monday – Thursday from 8am-10pm, Friday from 8am-5pm, and on Saturday from 8am-4pm. Please check hours around holidays and special events and during the summer terms.

<http://valenciacollege.edu/east/academicsuccess/math/>

**Valencia's Math Help 24/7:** Valencia Math professors have created pen-casts and videos of common lessons to help you learn the concepts being presented in class. This resource is located at: [www.valenciacollege.edu/math/liveScribe.cfm](http://www.valenciacollege.edu/math/liveScribe.cfm) Click on your course to view your lessons. Some lessons have more than one professor's perspective; watch more than one!

**Smart Thinking (Online Tutoring):** Smarthinking is a FREE online tutoring tool available to all of Valencia's students, and math tutors are available 24/7. Students can access Smarthinking through the Courses tab in Atlas. Students have an eight hour limit of usage per semester, and therefore Smarthinking is best used as a back up to on-campus services and support, not as a replacement. There are Smarthinking phone applications for both iOS and Android devices.

<http://valenciacollege.edu/east/academicsuccess/onlineTutoring.cfm>

**Student Assistance Programs:** Valencia College has contracted with a private and confidential counseling service (**Bay Care Behavioral Health Student Assistance Program (SAP)**) to provide FREE short-term assistance to students who need to resolve problems that are affecting their college performance. Examples might include: stress, relationship/family issues, alcohol/drug problems, eating disorders, depression, and gender issues. Students who are experiencing any of these issues and who are enrolled in credit classes at Valencia should call the toll-free number 1-800-878-5470 to speak to a professional counselor. If needed, the counselor may refer the student to appropriate resources or to speak face-to-face with a licensed counselor. For more information, call or visit a Counselor in Student Services on any campus.

**CELL PHONES:**

Students are required to turn off all cell phones and pagers before the beginning of class. If a cell phone or pager vibrates or is audible, the student may be asked to turn it off or leave for the remainder of the class. If there is an emergency situation warranting the use of a cell phone or pager during class time, the student must notify the professor in writing prior to the beginning of class. **During a testing situation, if a cell phone or pager vibrates or is audible, the student's quiz, test, or examination may be collected and the student may be asked to leave without an option for completion.**

**ACADEMIC HONESTY:**

All forms of academic dishonesty are prohibited at Valencia. Academic dishonesty includes, but is not limited to, plagiarism, cheating, furnishing false information, forgery, alteration or misuse of documents, misconduct during a testing situation, and misuse of identification with intent to defraud or deceive. **Sanctions available to the professor should a violation occur are described in the Valencia Student Handbook or online at** <http://valencia.cc.fl.us/policies/PDF/10-16.pdf>.

**STUDENT CODE  
OF CLASSROOM  
CONDUCT:**

Valencia is dedicated not only to the advancement of knowledge and learning, but is concerned with the development of responsible personal and social conduct. By enrolling at Valencia, a student assumes the responsibility for becoming familiar with and abiding by the general rules of conduct. The primary responsibility for managing the classroom environment rests with the professor. Students who engage in any prohibited or unlawful acts that result in disruption of a class may be directed by the professor to leave the class. Violation of any Valencia policies/procedures or classroom rules may lead to disciplinary action up to and including expulsion from the College. Disciplinary action could include being withdrawn from the class, disciplinary warning, probation, suspension, expulsion, or other appropriate and authorized actions. **Valencia's Student Code of Classroom Conduct (Policy 10-18) can be found in the current Student handbook, or online at <http://valencia.cc.fl.us/policies/PDF/10-18.pdf>.** Additional information is available in the College Catalog (<http://valenciacc.edu/catalog/04-05/default.htm> on page 65 - 66).

**VALENCIA CORE  
COMPETENCIES:**

Valencia's Student Core Competencies are complex abilities that are essential to lifelong success. This course will help you to develop and demonstrate the abilities to:

- 1) THINK clearly, critically, and creatively;
- 2) COMMUNICATE with others verbally and in written form;
- 3) Make reasoned VALUE judgments and responsible commitments;
- 4) ACT purposefully, reflectively, and responsibly.

Due to the nature of these global competencies, many of the problems will be presented in the context of an application. These applications will require students to select appropriate information from the problem and communicate effectively in order to explain and/or describe how the student used the skills they are learning to arrive at an appropriate solution for the problem.

**STUDENTS WITH  
DISABILITIES:**

Students with disabilities who qualify for academic accommodations must provide a notification from the [Office for Students with Disabilities](#) (OSD) and discuss specific needs with the instructor, preferably during the first two weeks of class. The Office for Students with Disabilities determines accommodations based on appropriate documentation of disabilities. The East Campus Office is located in Building 5, Room 216, Ph: 407-582-2229, Fax: 407-582-8908, TTY: 407-582-1222

**STUDENT FEEDBACK  
ON INSTRUCTION:**

Near the end of the term, students will receive an invitation through their Valencia ATLAS email account asking them to complete the Student Feedback on Instruction (SFI). This survey provides Valencia College professors with feedback on students' experiences in courses and helps them to continually improve their courses. The results are released only *after* grades are submitted and students' names are *not* included in the results - all responses will be anonymous.

**FERPA** (*Family Educational Rights and Privacy Act*):

FERPA is a Federal law that is administered by the Family Policy Compliance Office (Office) in the U.S. Department of Education (Department). 20 U.S.C. § 1232g; 34 CFR Part 99. FERPA affords students certain rights with respect to their educational records. Valencia College has a firm commitment to protecting the privacy rights of its students. For further information on FERPA see: <http://valenciacollege.edu/ferpa/default.cfm#whatis>

**TITLE IX:**

Valencia College strives to be a place free from all forms of discrimination. Title IX protects students from discrimination based upon sex including protections against sexual violence, domestic violence, and stalking. This also includes protections for students who are pregnant or may become pregnant. If you experience sexual violence, domestic violence or stalking and would like assistance there are several options available to you. Valencia partners with the Victim Service Center of Central Florida which is a confidential resource available 24/7. They can be

reached by calling 407-497-6701. If you would like assistance on campus, you can go to [valenciacollege.edu/eo](http://valenciacollege.edu/eo) or contact Valencia College's Title IX and Equal Opportunity Officer, Ryan Kane, by emailing [rkane8@valenciacollege.edu](mailto:rkane8@valenciacollege.edu). If you would like to report to law enforcement, you may visit Campus Security or call 911.

Please note that there are no confidential resources on campus. As your professor, I am required to report any information mentioned in this statement to the appropriate campus resources. This will include your name, and detailed information shared with me. We take privacy very seriously at the College and only those who have a legitimate need to know the information will be provided with this information.

If you have more questions about Title IX or the College's response, please visit [valenciacollege.edu/eo](http://valenciacollege.edu/eo).

**VALENCIA I.D.  
CARDS:**

Valencia ID cards are required for LRC, Testing Center, and IMC usage. No other form of ID at those locations will be accepted. Possession and utilization of a Valencia ID is mandatory in order to obtain these services.

**NSF GRANT  
ADDENDUM:**

I am continually exploring new possibilities that might enhance your learning experience in this course. Throughout the course, there will be four activities worth a small part of your grade. I am collaborating with other math professors at Valencia as well as researchers from the University of Virginia in this research project to improve student learning in our front door courses. These activities are designed to help us understand your attitudes in an effort to assist us on improving future classes for you and other students.

**LAB  
ADDENDUM:**

This course includes a mandatory lab component that occurs once or twice each week in Building 7, Room 112 (students should refer to their class schedules for details). Each lab session will be conducted by an instructional assistant and will include an activity chosen by the course instructor. Lab activities are designed to supplement and reinforce students' understanding of the course concepts and provide students opportunities to develop their skills. In addition to being mandatory, attendance and participation in lab activities correspond to improved performance in the course, so it is in students' best interests to treat the labs just as seriously as they regard the lectures.

While in lab, students are expected to:

- abide by Valencia's student code of conduct policy:  
<http://valenciacollege.edu/generalcounsel/policy/documents/Volume8/8-03-Student-Code-of-Conduct.pdf>
- adhere to Valencia's integrity policy:  
<http://valenciacollege.edu/generalcounsel/policy/documents/8-11-NF-NN-Academic-Dishonesty.pdf>
- bring all textbooks, lab manuals, writing utensils, paper, and any other materials necessary to the course, including their student identification cards to allow for check out of lab equipment.
- make appropriate use of any available lab equipment.
- participate in lab activities for the entire duration of the lab.
- refrain from eating, drinking, or chewing gum.
- turn off cell phones and other personal electronic devices and place them out of sight (unless permitted by their course instructor).
- maintain an appropriate volume of voice and respect for the learning environment. Several lab sessions may be occurring simultaneously in the lab area.
- treat classmates, instructional assistants, faculty members, supplemental-learning leaders, and anyone else in the lab area in a professional, respectful, and civil manner.
- follow all instructions from the instructional assistants and lab aides.

Students can expect the lab staff (instructional assistants and senior instructional assistants) to provide:

- clear instructions for all lab activities.

- respectful and professional assistance with all lab activities.
- assistance with specialized equipment or materials necessary for lab activities.
- a safe environment in which to learn.

**ADDENDA:**

Changes in the syllabus, schedule, evaluation procedures, and/or homework assignments may be made at any time at the discretion of the professor. If you are absent, it is **your** responsibility to find out what, if any, announcements or changes have been made. Material generated by the instructor (including lectures and printed material) is protected under the intellectual copyright laws of the United States. No reproduction of such materials may be made without the explicit permission of the instructor (including audio or video taping of the lectures).

# WebAssign. STUDENT QUICK START GUIDE

## 1 ENROLL

You can be enrolled in a WebAssign class in one of two ways:

### YOUR INSTRUCTOR ENROLLS YOU

If your instructor gave you a WebAssign account, you are already enrolled. Log in with your new WebAssign account.

### YOU ENROLL YOURSELF

Your instructor will give you a class key.

- 1 Go to [www.webassign.net](http://www.webassign.net).
- 2 Click Have a class key?
- 3 Enter the class key and click **Submit**.
- 4 If the correct class and section is listed, click **Yes, this is my class**.

### FIRST TIME USERS

Select **I need to create a WebAssign account**, enter the requested information, and click **Create My Account**.

### RETURNING USERS

Select **I already have a WebAssign account**, enter your account information, and click **Continue**.

#### CLASS KEY

A code you use one time to enroll in class. A class key does not verify payment.

## SYSTEM REQUIREMENTS

WebAssign is tested and supported for the following Web browsers:

- Firefox 3.5 or later (Linux, Mac, Windows)
- Chrome 12 or later (Windows, Mac)
- Internet Explorer 7 or later (Windows)
- Safari 5 or later (Mac, Windows)

Some WebAssign content and tools require the following browser plug-ins:

- Adobe Acrobat Reader 8 or later
- Adobe Flash Player 10 or later
- Adobe Shockwave Player 11 or later
- Java 6 (build 1.6.0) or later

Additional learning resources provided by textbook publishers or instructors might require other software.

## 2 LOG IN

These instructions apply for most schools. Some schools use alternative login sites.

- 1 Go to [www.webassign.net](http://www.webassign.net).
- 2 Type your **Username**, **Institution code**, and **Password**.
- 3 Click **Log In**.
- 4 If you are enrolled in more than one class, select a class from the **My Classes** menu.

### I CAN NOT LOG IN

In most cases, your instructor can:

- look up your username
- change your forgotten password

The first time you log in, change your password.

## CUSTOMER SUPPORT

If you need more help, WebAssign Customer Support is fast and free.

The WebAssign Support staff cannot:

- change your username or password
- give extensions
- change your score
- give you extra submissions
- help you with the content of assignments
- resolve problems with PayPal payments

[webassign.net/user\\_support/student/](http://webassign.net/user_support/student/)

## 3 PURCHASE ACCESS

WebAssign gives you free access for two weeks after the start of class. To continue using WebAssign after that, either enter an access code or purchase access online.

#### ACCESS CODE

A code included with some textbooks that verifies you have already purchased WebAssign access.

### I HAVE AN ACCESS CODE

- 1 Confirm your code is valid on the **Access Card Prefix Check** page.
- 2 Log in.
- 3 Select **enter an access code**.
- 4 Select your access code prefix.
- 5 Enter your access code and click **Continue**.

### I DO NOT HAVE AN ACCESS CODE

- 1 Log in.
- 2 Select **purchase access online** and click **Continue**.
- 3 Select items and click **Checkout**.
- 4 Review your cart and click **Continue**.
- 5 Enter payment information and click **Review Order and Continue**.
- 6 Review your information and click **Pay Now**.
- 7 Click **Return to WebAssign**.
- 8 Click **Finish**.

## PAYPAL SUPPORT

For payment problems, contact PayPal at [paypal.com](http://paypal.com) or 1-402-935-2050.

## MORE INFORMATION

Search the online help for answers to most questions.

Scan the QR code to go to [webassign.net/manual/student\\_guide/](http://webassign.net/manual/student_guide/)

## 4 LEARN

Your current assignments are listed on the Home page for each class.

- 1 Click the assignment name.
- 2 Answer the assignment questions. WebAssign supports many different question types. Some questions display a tools palette or open in a new window.
- 3 Submit your answers.
- 4 Review your marks and feedback. Usually, you will see ✓ or ✗ for each answer.
- 5 Change your incorrect answers and submit again.
- 6 When you are done, always click **Log out**.

## Suggested Homework List

| Section                    | Exercises  |
|----------------------------|--|
|                            | Chapter 1  |
| 1.1                        | 11, 13, 15, 17, 23, 25, 27, 31, 35, 39, 43, 45, 47, 49, 51, 53, 55, 57, 59, 61, 63, 65, 71, 73, 75, 77, 79, 81, 83     |
| 1.2                        | 3-6, 7, 19, 11, 13, 17, 23, 25, 29, 31, 33, 35, 37, 39   |
| 1.3                        | 3, 7, 9, 13, 15, 17, [only lines no quadratics] 23, 25, 27, 29, 31, 33, 41, 43, 45, 47, 49, 61, 63, 65, 67             |
| 1.4                        | 11, 13, 15, 17, 19, 21, 23, 25, 27, 29, 39, 41, 43, 45, 47, 49, 51, 53, 55, 57, 59                                     |
| 1.5                        | 1, 3, 5, 7, 9, 11, 13, 19, 21, 25, 27, 31, 35, 37, 39, 43, 59, 63, 67, 71, 75, 79, 83, 87, 91, 95                      |
| 1.6                        |  |
| 1.7                        | 1, 3, 5, 7, 9, 11, 13, 15, 17, 19, 21, 23, 25, 27, 35, 37, 39, 41, 43, 45, 47, 49, 51, 53, 55, 65, 67, 69              |
|                            | Chapter 2  |
| 2.1                        | 1, 3, 5, 7, 9, 11, 13, 15, 17, 19, 21, 23, 25, 45, 47, 49, 51, 53, 55, 57  |
| 2.2                        | 1, 3, 5, 7, 9, 19, 21, 23, 25, 31, 33, 35, 41, 45, 47, 49, 51, 55, 57, 61  |
| 2.3                        | 1, 3, 5, 7, 9, 11, 13, 15, 19, 21, 22, 25, 27, 29, 31, 41, 43, 45, 49, 53, 57, 59, 61, 63, 65                          |
