

June 29<sup>th</sup> 2012

10-1:00pm East Camus Building 3 room 113

- I. Introductions
- II. Overview of day
- III. What is going on in chemistry at Valencia College
  - a. Honors CHM 1045/1046 Eileen
  - b. American Chemical Society affiliate club Laura
  - c. Late night labs for CHM 1025 Daeri
  - d. Study abroad trip “Art Restoration” Eileen
- IV. Conversations
  - a. Materials Standardization
    - i. Pros
    - ii. Cons
    - iii. Ability to serve for a year
    - iv. Projected goal of Fall 2013, reasonable?
  - b. Review list of materials used
    - i. What is each campus doing to decrease the price of materials?
    - ii. Bundles
    - iii. Online HW
    - iv. Custom lab manuals
    - v. Faculty developed lab manuals
    - vi. How satisfied is each faculty member with the materials they use
    - vii. Any ideas? Goals?
  - c. Textbooks
    - i. Each campus gets 1 copy of each text used at all campuses
  - d. Open discussion
  - e. Volunteers for sub-committees
    - i. CHM 1020
      1. East
      2. West
      3. Osceola
    - ii. CHM 1025
      1. East
      2. West
      3. Osceola
    - iii. CHM 1045/1046
      1. East
      2. West
      3. Osceola
    - iv. CHM 2210/2211
      1. East
      2. West
      3. Osceola

- f. Next meeting?
  
- g. Course outlines- Melody
  - i. College requirements
  - ii. Goals
  - iii. Volunteers
    - 1. CHM 1020
      - a. East
      - b. West
      - c. Osceola
    - 2. CHM 1025
      - a. East
      - b. West
      - c. Osceola
    - 3. CHM 1045/1046
      - a. East
      - b. West
      - c. Osceola
    - 4. CHM 2210/2211
      - a. East
      - b. West
      - c. Osceola
