In Pen:

- A. Page 1: Group name, group members (6-8 members to a group) please put M, W or F next to

your name based on the day you have lab

Group Leaders:

Group 1: Marion

Group 2: Peter

Group 3: Andrew

Group 4: Emma

Group 5: Michelle

Group 6: Diana

Group 7: John-Jay

Group 8: Albert

Page 2: Name the following (1-5)

Draw the following (1-5)

Are the following aromatic? Why/why not? (1-3)

Page 3: Answers for name (1-5)

Answers for draw (1-5)

Answers for aromaticity (1-3)

I suggest to the group leaders that you separate your group into 3 teams to work on the 3 different assignments and then all students look it over.

Your HW grade will be based on the HW questions your group makes up, remember that the answers must be right to get credit!!

- B. You will have to pick 4 groups questions to do to hand-in for your HW 15 to be completed**
