

Education Summer Internship 2010

Are you passionate and excited about marine biology and education?

Become a Mote Intern!

Every year Mote Marine Laboratory reaches more than 500 students during its summer programs and as a Mote intern you can help inspire a new generation of marine scientists and enthusiasts. The internship is a 12-14 week commitment beginning in late May.

- Develop and teach marine science curriculum and activities for kids ages 2-18
- Instruct and supervise water-based activities such as snorkeling, kayaking, and field sampling in Sarasota Bay
- Responsible for daily set-up and break down of camp activities in the classroom, the Aquarium, and water
- CPR, First Aid, and Lifeguard certifications are required (SCUBA certification optional)
- Experience opportunities to shadow or visit with Mote research and/or aquarium staff
